

# WELCOME BACK, SAFELY.

## POKER ROOM RULES

- Masks are required at all times in the poker room.
- Seating will be restricted to a maximum of 7-players per table.
- Tables will be socially distanced.
- Polycarbonate barriers will be used on all active poker tables.
- All chips returned to the cashier cage will be cleaned.
- When a player leaves the table, the rail will be cleaned with a sanitizing wipe prior to seating another player.
- Table changes will not be permitted until further notice.
- Eating is not permitted in the poker room.
- To minimize groups congregating while waiting, players will receive a text message or email notification when space becomes available at a table.
- Spectators are not permitted in the poker room.
- Hand sanitizing dispensers will be accessible throughout the Poker Room, with constant disinfecting of high touch points.
- A physical distancing policy with floor guides serving as reminders for players.
- When seated in your individual seat, players must wear a mask except when actively drinking a drink served to you by a Borgata cocktail server. Your mask must be worn in between sips. Drinks may not be consumed when you are in transit or when you are standing.
